PRESS RELEASE

IDS ENTERS EURASIAN MARKET
IDS IDENTIFIES CASPEL FOR SALES AND SUPPORT IN AZERBAIJAN AND GEORGIA

Bangalore, 20 February 2008: IDS Softwares Pvt. Ltd. (IDS), a global leader in providing integrated IT solutions for hospitality industry, has announced its entry into Eurasian market. It has tied up with Caspel LLC, one of the largest IT & telecommunications company in the Azerbaijan and Georgia for support in the region.

The company's Global Support Center at Bangalore will continue to offer second line support to its customers/ partner, while the R&D centre will design and develop products and solutions.

CASPEL LLC is one of the leading IT and telecommunications provider in Azerbaijan with an annual turnover of US$16 Million and has its own fiber-optical data transmission network which covers almost the whole Azerbaijan territory. CASPEL is ISO 9001 and OHSAS 18001 certified company which works according to the international standards of labor safety and quality assurance. It believes in providing fully integrated solutions on data transmission, advanced network solutions, software development, and supply of modern equipment from world's leading manufacturers.

Commenting on their entry into a new territory, Mr. Rajesh. P. Yadav, General Manager, Sales, IDS Softwares Pvt. Ltd. said, "I am happy to announce our tie up with Caspel for sales and support in the EURASIAN MARKET. The CIS region along with Eurasia offers excellent opportunities for our products and we will be looking at deeper penetration into the market. It is a part of our global plans as we are looking forward to expanding into 40 countries from the current 20, by the end of FY 2008-2009 with a special focus on CIS countries, Eastern Europe and North Africa."

"Our choice to start cooperation with IDS Softwares is not accidental. When we realized that our customers in hospitality business vitally needed new management systems based on new technologies, we started our own marketing research and found that the most valuable solution belonged to Fortune products family and the company - IDS Softwares, was also recommended as the most reliable partner. CASPEL is always working with the market leaders and we are sure that our association with IDS will give our customers an edge in their markets as well!" commented Mr. Dilshod Marhsudkhanov, Director, Sales and Marketing, Caspel.
